ing from West to North across valley between  
Serra do Oro's and Serra do Franco. Picture  
taken from a point in the water gap made  
by the Juaguaribe River through the Serra do Oro's  
mountains, - one mile north of the town of Oro's,  
Ceara, Brasil. Cluster of houses in picture  
comprise village of Cedro.

The river Riacho Livramento at extreme right  
of picture strip.
